This is John Klassen, I own the property at 379 3rd concession NTR Tillsonburg N4G 4G9. Roll #54101048650. We would like to change our property from agricultural too residential zoning As we are in a prime real-estate area, situated across from tilsonview golf course. I have had multiple people ask me if I could severe a building lot off for them, there is alot of interest for that. The property has about 880' of frontage facing the golf course, with that the houses would be bigger homes which would bring in more property tax for the township. With all that being said we do not wish to have it changed to industrial but rather residential. Thank you for your time.
