

Norfolk County Office of the Mayor

April 23, 2024

Development Community Members,

Norfolk County's newest Roundtable wants to hear from you!

The Mayor's Affordability Roundtable aims to make life more affordable for Norfolk County residents by exploring new partnerships, projects, sponsorship, development opportunities and more without significantly increasing the municipal tax levy. Some unique ideas include providing in-kind support on county projects, partnering with us on county lands, sponsoring recreation, and senior activities, making refurbishments to community assets and more. Our next meeting is scheduled for **Tuesday April 30th at 5:00pm** at Council Chambers with the discussion topic of **Development and Housing**. We're looking for proposals, innovative ideas, and partnership opportunities to make housing more affordable across Norfolk County. Your input and ideas are invaluable as we seek ways to bring down housing costs, without significantly impacting the municipal tax levy. The meeting scheduled for **May 28th** will be focused on **partnership opportunities**.

We'd love to hear from you if you have a concept or proposition to share. Register with clerks@norfolkcounty.ca for your deputation to speak directly to the committee. Please share with your colleagues.

Any recommendations endorsed by the committee will be sent to council for debate and discussion.

We look forward to hearing from you!
