**Re: Growth Study**

To Whom It May Concern:

I am writing to express my support for development initiatives in Waterford and Norfolk County, including Tom O'Hara's project. I believe strategic development will fuel growth, create opportunities, and enhance our community's well-being.

In light of the challenges and opportunities facing our community, I urge you to continue supporting development initiatives that will unlock Waterford's full potential and make it a thriving hub for innovation, culture, and prosperity.

Thank you for your commitment to our community's advancement.

Regards,

Denton Choo
