**Project Title:** Norfolk County studying options for the protection of the shoreline along Nelson Street in Port Dover, ON

**Application Number:** LLCA-24-0371

Dear Mayor Amy Martin and Members of Council

On behalf of the Green Municipal Fund (GMF) Council and FCM's Executive Committee, I would like to congratulate Norfolk County on its successful funding application for the above-noted initiative. It is my pleasure to confirm that Norfolk County has been approved to the revised maximum amount of \$ 28,400 as per your municipalities request.

In the near future, **Luc Denault** will contact Norfolk County to finalize the agreement for this funding. FCM's obligation to fund the above-noted initiative will only become binding once the agreement is executed.

FCM, in partnership with the Government of Canada, oversees public announcements regarding GMF-supported initiatives. Until our media relations team ([media@fcm.ca](mailto:media@fcm.ca)) contacts the lead applicant or municipality to facilitate a media announcement, discussion of the application or the funding must remain private, except if reporting to municipal council. We kindly ask you to refrain from statements or any public form of communication related to the status of the application or funding until a media announcement led by FCM and the Government of Canada is complete.

Thank you for your interest in GMF. We look forward to working with you to improve the quality of life in your community, and to sharing the results of your initiative with communities across Canada.

Sincerely,
