

Councillor Van Paassen Notice of Motion – Joint MOU with LPBR

As per the recommendation made at the recent Sustainability Advisory Committee, seen below:

“That this committee recommends to Council the support of a jointly developed MOU between the Long Point Biosphere Region and Norfolk County to encompass a strategic and proactive approach to implement road ecology solutions to better support biodiversity in Norfolk County.”

Recommendation:

That Council direct staff to investigate a jointly developed MOU between the Long Point Biosphere Region and Norfolk County and return with a report to council.
