<b>Comments by User Division</b>	Following an evaluation of the submitted tenders, I recommend awarding the contract to Froese Excavating, who demonstrates full compliance with the RFQ requirements, presents the most competitive pricing, and provides strong evidence of technical capability and relevant experience.
<b>Finance Comments</b>	The Approved Capital Budget includes an allocation of \$58,000 for the County Road 57 Drain (Ammerman), with funding to be provided by External Recoveries (\$11,000) and the Drain Construction Reserve (\$47,000). Based on costs incurred to date and the tender results from Froese Excavating Ltd., a Budget Amendment of \$10,000 is required for award. This amendment is recommended to be funded from the Drain Construction Reserve (\$8,000) and External Recoveries (\$2,000).
