

# Norfolk County Office of the Mayor

## MINISTRY OF TOURISM, CULTURE AND GAMING - KEY DISCUSSION POINTS

### Where We're At – Master Recreation Plan

- Norfolk County requires expanded, dedicated funding for:
  - Repair and replacement of aging recreation infrastructure
  - Retrofitting facilities to meet accessibility standards
- Goal: Ensure safe, comfortable access for differently-abled individuals, seniors, and families with young children.
- Recreation investments support:
  - Healthy aging
  - Mental well-being
  - Active lifestyles
- Aligns with broader provincial priorities in health and social equity.

### What Norfolk is Asking For

#### 1. Funding Recognition for Business Organizations

- Recognize businesses contributing to community through tourism and culture events.
- Create new funding streams within existing programs or a new program for business organizations providing community development services.

#### 2. Partnerships and Asset Management

- Explore divesting some municipal buildings to local organizations.
- Establish partnerships to support downtown infrastructure improvements.
