| Purpose of Deputation |
| <p>Norfolk Haldimand Community Hospice (NHCH) believes in supporting individuals living with a life limiting illness & their family members through the end-of-life experience & coping skills in grief & bereavement after a loss of a loved one. NHCH is currently providing psycho-social-spiritual, grief & bereavement services. With the growing aging population in Norfolk and Haldimand Counties (especially more so in Norfolk County), the need for more hospice palliative care services including end-of-life care beds becomes more critical. NHCH Board of Directors are facilitating the building a Hospice Centre & 10-bedroom residence for the people of Norfolk & Haldimand Counties (NH). The building of the NHCH Hospice Centre & Residence needs to be built by the people of Norfolk & Haldimand for the people of Norfolk & Haldimand. The cost of the building is estimated to \$14 million. NHCH seeks Norfolk Council's 5.4% financial support of the cost of the building to continue providing its current service offers and support the construction of a Norfolk-Haldimand Hospice Centre. and residence. Norfolk County Council's support would speak loudly to the public the importance of the need for a hospice centre & residence in Norfolk-Haldimand Counties.</p> |
