Poll Question #6 - Rate the Current Pace of Capital Projects (September 17, 2025)

Help Shape
Norfolk County's Future!

**RATE THE CURRENT PACE OF
CAPITAL PROJECTS**

Too Slow

Too Fast

About Right

Not Sure

Capital projects include things like roads, water systems and public buildings. Keep in mind that:

- if projects move faster, spending may increase and cause more disruption (road closures, noise, etc)
- if projects move slower, it may take longer to fix or repair older infrastructure
