RE: Permit Number ZNPL2025199

To Whom It May Concern;

I am writing this letter to express my support in favour of allowing this application to be passed by council.

The location of the lands in question for severance are already included in the village of Courtland limits.

With the availability of these building lots comes the building of new homes which will bring in revenue to Norfolk County through permit and application fees as well as increasing the property tax dollars collected.

As the owner of the property directly West of this property I feel it is a very good idea.

Sincerely,
