Dear County Councillors

I have heard about the uncertainty surrounding the current home of Lynnwood Arts, which is a National Historic Site.

I would like to see you work with the group so they can stay at the site. An arts centre adds so much to our community and will help revive downtown Simcoe.

What will happen to the building if Lynnwood Arts moves out? We cannot afford to lose this gem.

Please consider all the options available to the county before deciding to move the group to another location.
