Whereas Sections 140(5), 144(31) and 144(31.1) outline the requirements for a Municipality to erect Traffic Control signals or Signal systems on a highway or portion of highway under its jurisdiction; and

Whereas the Highway Traffic Act (HTA) R.S.O. 1990, as amended, Chapter H.8, Section 140(5) does not allow the Municipality to pass a by-law to designate a pedestrian crossover on a highway on which the speed limit is more than 60km/hr; and

Whereas for Traffic Control signals and signal systems installed on Connecting Links, approval is required from the Minister. The Highway Traffic Act (HTA) R.S.O. 1990, as amended, Chapter H.8, Section 144(31.1); and

Whereas Section 9 of the Municipal Act, 2001, S.O. 2001, c. 25, as amended, provides that the municipality has the capacity, rights, powers and privileges of a natural person for the purposes of exercising its authority; and

Whereas the Council of Corporation of Norfolk County deems it necessary to combine the traffic control regulations of the former municipalities.
